

FIG. 1

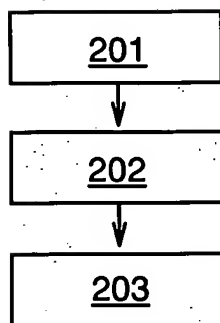

FIG. 2

201:

Setting a driving voltage of a light emitting element in a monitoring element and in a pixel element.

202:

Emitting the light emitting element in the monitoring element and in the pixel element.

203:

Changing the driving voltage of the light emitting element in the monitoring element according to a deterioration of the same, and changing the driving voltage of the light emitting element in the pixel element in synchronization with it.
